CA 24<sup>th</sup> Congressional Voters:

My name is Andrew Salazar, the first elected and two-term (1980-1986), Mayor of the City of Lompoc, California. It is a privilege to endorse Michele Weslander Quaid, candidate for U.S. Congress, to represent California's 24th Congressional District.

Our Country is at a critical point in its history as a federation of States founded by our forefathers on simple and profound principles which are explicit in the intent and meaning of the language expressed in the U.S. Constitution. The Constitution has served us well by its permanence and the protection given to it by our national legislators. The United States of America can only continue to be the land of the free and the leader of the free world if we continue to believe in and honor the Constitution. The core value of Michele's campaign is to pursue legislative actions which preserve the U.S. Constitution.

Any 24<sup>th</sup> Congressional District voters who wish to verify my endorsement are welcome to call me at 805 294-0492 or can contact me via email at [ipmobileone@gmail.com](mailto:ipmobileone@gmail.com).
